Dover High's football team compiled the best record in the school's history. The players incorporated sportsmanship, hard work, pride and desire into a winning effort. Coach Bill Busching and an experienced coaching staff instilled confidence into each player and inspired them to perform to the best of their abilities.

With the support of the student body, and four weeks of strenuous practice behind them, the Dover Green Wave crushed the powerful Nashua Purple Panthers. This great victory established the momentum that grew each week. With every victory the hopes of becoming state champions mounted and became a reality with Dover's stunning victories over Central and arch-rival St. Thomas Aquinas.

## PRESIDENT'S MESSAGE

Seniors of 69,

Soon we will think back on our high school years and wonder how we finally matured or why we never did. Memories of Dover High will answer some of our questions. We may find that an enthusiastic teacher, a book, or the grief we shared enriched us in human understanding. We will discover that fragile and intangible memories of people and events influence our lives.

### TO HOLD ON

(Words and Music by Bob Chamberlain  
Member of the Class of 1969)

Seasons vanish, good times gone,  
Only our memories to hold on.  
Songs we shared, will always lend,  
Bind us yet, though separate, Friend.

Cast into a needless mold,  
Of our making, must it hold?

Unkind words, and untrue acts,  
You hurt me, I turned my back.  
We hailed feeling, first of all —  
Only to build a sound-proofed wall.

Looking forward through Pride's fence,  
So little time, so little sense.

Seasons vanish, good times gone,  
Only our memories to hold on.  
Songs we shared, will always lend,  
Bind us yet, though separate, Friend.
